

● **DON'T LET THE COPS IN!**

If they have a warrant, ask them to slide it under your door.

**Search warrant:** make sure it has YOUR name, YOUR address, make sure it's signed and dated and it should say what it's looking for.

**They're only allowed to look for what's listed.**

**Arrest warrant:** they can only search your house if it says they can.

● **NEVER CONSENT TO A SEARCH! EVER!**

If they are searching, tell them you do not consent to the search, but don't get in their way. Follow and take notes on what they are doing if possible.

● **DON'T TOUCH OR ENGAGE THEM!**

Unless you really want to get charged with assault on a public official.

● **DON'T TALK!**

You don't have to tell them a thing. Seriously. They might try to make dumb conversation, but don't play along; it's just to make you comfortable with them so you'll tell them more.

● **DON'T LIE!**

**Very illegal.** (In MA and other states you aren't required to give police your legal name unless you are driving a car, but it IS illegal to give them a false name or even a nickname.)

● **DON'T SNITCH! EVER!**

Everyone hates a snitch.
